

DIAMOND BLADES

CONTRACTOR

SPEED
LIFE

The **CONTRACTOR** range is our most price conscious blades. For Contractors doing minimal cutting or going through multiple blades a day, Contractor blades are a great choice.

TRADE

SPEED
LIFE

The **TRADE** range is our best value blades, most cost effective while still yielding good cutting performance. For Contractors that go through multiple blades in a day or for cutting softer materials, Trade blades are an excellent choice.

PRO

SPEED
LIFE

The **PRO** range is our great performance, good price blades. For Contractors looking for a reliable, good quality blade that will last and yield great cutting performance, Pro blades are the best option.

ULTIMATE

SPEED
LIFE

The **ULTIMATE** range is our premium blades, they are more expensive but have the longest life and yield the highest performance. For Contractors cutting all day every day or for cutting very hard materials, Ultimate blades are the best for the job.
