DYNAMIC NYLON 10 POCKET POUCH

Built with the tradesman in mind, the Pro Dynamic Nylon Framer Pouch is tough, dependable, and comfortable. Crafted from 1680D Nylon with PVC coating, the pouch is designed to handle the rigors of any jobsite and perform in the harshest environments. The stitching is reinforced, and the rivets are made from iron and electrophoretic coated for extreme durability at common stress points. The pouch includes... One large pocket, three medium sized pockets for fasteners, hand tools, or general storage. Six small pockets for pencils and small tools. Two hammer holders on the side of the pouch to swap hammer types on the fly. Fits to 2-inch and 3-Inch belts, and is a great addition when creating the ultimate tool rig.
